

MAKE A DIFFERENCE

World Elder Abuse Awareness Day

Your heart, voice, hands, and mind are needed to make a difference. Join us to learn what you can do, and unite with people of all ages who stand for the dignity of older adults and the elimination of elder abuse and neglect.

A passionate group of professionals and community members will share their knowledge on preventing, detecting, and reporting elder abuse. You can also learn about what ANYONE can do to take a stand against elder abuse!
